Executive Health Screening Programmes

		Price (inclusive of GST)	
Core	Start here if you haven't screened in a while. Covers the essentials including blood tests, organ function, heart health, and a doctor's review.	\$363.80	
Ember	Built on the same foundation as Core, with one add on test of your choice. Suitable if there is a specific area you want to keep an eye on.	\$491.30	
Eunoia	A step up for those who want a more thorough picture of their health. Includes two imaging or specialist tests on top of a broader lab panel.	\$780.30 (Male)	\$833.00 (Female)
Noir	For a deeper look across multiple aspects of your health. Includes three tests of your choice, plus one specialist test.	\$1,324.30 (Male)	\$1,383.80 (Female)
Ivory	The most comprehensive option. Covers everything in Noir, plus a full anaemia panel, hormone profile, colonoscopy, and four imaging tests of your choice.	\$3,916.80 (Male)	\$3,984.80 (Female)

- Advance booking is required. Appointments are subject to availability.
- Health screening reports will be provided electronically.
