

Your Best Starts with Your Health.

Health benefits for ERA employees at Healthway Medical.

In a fast paced, people-focused industry, your health matters.

Healthway Medical is here to support you with the healthcare you need, so you can keep showing up, performing, and achieving your best.

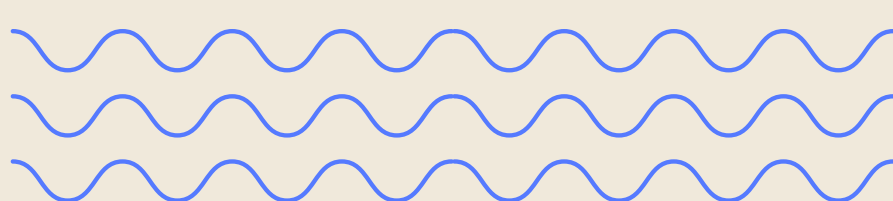

\$15

per consultation (before GST)

**Applies to consultation fees only. Medications and additional services are charged separately.*

1

GP Consultation

Your health starts with the right care at the right time. Access GP consultations and vaccinations at rates available to you.

Vaccinations

Good health extends beyond yourself. Protect yourself and your loved ones with a range of vaccinations available to you and your eligible dependants.

| Vaccinations | Price Per Dose (Before GST) | Doses Required | Vaccine Schedule |
|-------------------------|-----------------------------|----------------|---|
| Flu Vaccine | \$32 | 1 | Single dose |
| Hepatitis A Vaccine | \$82 | 2 | 2nd dose at 6 months |
| Hepatitis B Vaccine | \$32 | 3 | 2nd dose at 1 month, 3rd dose at 6 months |
| Hepatitis A & B Vaccine | \$90 | 3 | 2nd dose at 1 month, 3rd dose at 6 months |
| MMR Vaccine | \$35 | 2 | 2nd dose at 4 weeks |
| TDAP | \$48 | 1 | Single dose |
| Chickenpox Vaccine | \$75 | 2 | 2nd dose at 6 weeks |

**Applicable to ERA employees and their eligible dependants, subject to verification.*

Health Screening

Stay ahead with early health screening.

Choose a screening package that gives you a clearer picture of your health, from essential checks to a more comprehensive assessment at Healthway Screening Centres.

2

Executive Health Screening Programmes

| | | Price (inclusive of GST) | |
|---------------|---|--------------------------|---------------------|
| Core | Start here if you haven't screened in a while. Covers the essentials including blood tests, organ function, heart health, and a doctor's review. | \$363.80 | |
| Ember | Built on the same foundation as Core, with one add on test of your choice. Suitable if there is a specific area you want to keep an eye on. | \$491.30 | |
| Eunoia | A step up for those who want a more thorough picture of their health. Includes two imaging or specialist tests on top of a broader lab panel. | \$780.30 (Male) | \$833.00 (Female) |
| Noir | For a deeper look across multiple aspects of your health. Includes three tests of your choice, plus one specialist test. | \$1,324.30 (Male) | \$1,383.80 (Female) |
| Ivory | The most comprehensive option. Covers everything in Noir, plus a full anaemia panel, hormone profile, colonoscopy, and four imaging tests of your choice. | \$3,916.80 (Male) | \$3,984.80 (Female) |

- Advance booking is required. Appointments are subject to availability.
- Health screening reports will be provided electronically.

Dental Care

A confident smile goes a long way.

Keep your dental health in check with routine dental care or take it further with whitening and Invisalign treatment at Healthway Dental.

3
