Be Proactive About Your Health

Getting a health assessment can uncover key insights about your current health status, as well as identify any future risks for early intervention.

Healthway's comprehensive range of health screening packages and wellness programmes are tailored to the individual who demands quality and convenience. Our medical professionals offer personalised recommendations and treatments to guide you in your journey to better health and wellbeing.

About Healthway Medical

From our beginnings in 1990 in primary healthcare, Healthway has grown to become a respected medical group in Singapore. With over 100 clinics and medical centres, Healthway has a wide network of medical centres and clinics in the country. We offer comprehensive services including GP & family medicine clinics, health screening, adult specialists, baby & child specialists, dental services and allied healthcare services.

Healthway Screening @ Downtown offers a contemporary health screening experience - a comprehensive suite of services with comfortable and luxurious facilities. Our centre is located at the **OUE Downtown Gallery**, in the Central Business District, bringing quality healthcare closer to the working professional.

Healthway Screening @ Centrepoint is conveniently located in **Orchard Road**, with a range of packages tailored to the individual who demands quality and convenience. Choose the package that best suits your health screening needs and let our healthcare professionals take care of the rest, with their efficient service and personalised consultation.
